

# Community Emergency Plan for Alington with Yelverton

**Alington with Yelverton Parish Council working in partnership with  
South Norfolk Council (SNC)**

South Norfolk Council (SNC) is helping each Parish Council to construct a  
Community based Emergency Plan.

I'm Linda Gray the Volunteer Community Emergency Co-ordinator for the Parish.  
You may well have specialist skills or equipment that would be useful in such an  
emergency, so my job is to identify any specialist skills or equipment in the village  
and ask for your help.

***To help people in this Parish?***

***Do you have any equipment that you could make available, in an emergency?***

*Do you have any special personal skills (e.g. medical training) or specialist  
knowledge?*

***Are you able to offer general assistance (e.g. visiting an elderly  
or infirm person), in an emergency, to help people in this Parish?***

*Or would you require assistance in an emergency?*

**If you can say yes to any of these questions, please complete the  
questionnaire**

With the unpredictable British Weather which sometimes can be very severe anyone,  
anywhere or whole communities could suddenly find themselves without drinking  
water or electricity.

This could coincide with the Emergency Services being tied up with incidents in  
surrounding towns and cities.

The best way for any village to survive and recover is good, old fashioned community  
spirit local people helping neighbours and other local people.

**If you are ever called upon to use your equipment by myself, the Parish  
Council Chairman or the Emergency Planning Team of SNC, in an  
emergency, you will be covered by SNC's insurance although you will  
not be reimbursed any expenses.**

Any information that you supply will be treated as **confidential** – it will be kept secure  
and it will only be used in an emergency by myself, the Parish Council Chairman, the  
Emergency Planning Department of SNC and Norfolk Constabulary.

If you have any queries or would like more information, please use the contact  
us details. Please return the completed form to

**Emma Havers** Volunteer Community Emergency Co-ordinator
